Green Aid

Report of the Trustees for the year
2015

This report on the activities of Green Aid is for the year from 1 September 2014 to 31 August 2015.

This year our income was broadly the same as last year and we took the opportunity to increase slightly our reserves to enable us to meet some planned expenditure next year, which may not be covered by the anticipated income for that year.

The principle fund raising activity is through the activities of our Chairman, Colin Green and other members and friends of the Green Family. Corporate donations come from companies in Israel and it is the charity's policy that funds donated by Israeli companies are used to support charitable causes in Israel.

We have focused mainly on supporting disabled or disadvantaged groups of people, as well as educational, medical and humanitarian causes. In particular we have been very supportive of the new Jewish Primary school in South London, mosaic, and have funded transport for those children who wouldn't otherwise be able to attend

In addition to funding Mosaic, we continued to make significant donations to the following charitable institutions:

- Magen David Adom, The Israeli Red Cross
- United Jewish Israel Appeal
- The Shalom Foundation
- Nightingale House

We have also supported among other charitable causes
- Laniado Hospital, Netanya
- Kingston Surbiton and District Synagogue
- Young Israel of North Netanya Synagogue
- WIZO
- University Jewish Chaplaincy
- Emunah
- Jewish National Fund

- The Anglo Israel Association
- Toremet (for widows and Orphans of IDF killed in action)
- The British Youth Opera

We have thus made a large number of smaller donations to a wide range of charities, particularly supporting causes in Israel whose work is in fields relevant to our Objects.

Green Aid also administers the Antithesis Charitable Trust. This fund distributed CDs recorded specially for it by the artiste "Antithesis" with all the net sale proceeds being devoted to the objects of the Charity.
